Leading a Drive is fun and rewarding. You bring together members of your group or community to help support others who need it. With every donation, you can know that you are making an impact in the life of someone else and helping Family Giving Tree grow its network of support. To get started, scan the QR code above or visit www.fgt.org/helpful-tips.

Partner with FGT

You can deepen your company's legacy of giving and spreading joy in the community through a sponsorship or fee-based employee engagement event. We'll help coordinate a meaningful experience that best aligns with your philanthropic goals and interests. Benefits packages begin at \$2,500.

For more information about Partnership Opportunities, please contact:

CREATE A VIRTUAL GIVING TREE

A Virtual Giving Tree (VGT) lets employees, members, customers, and friends easily support your drive online, helping cover costs and maximize our buying power to support more individuals.

Features

With a branded, customizable donation page, donors fund the items, and we handle the rest, accepting donations even after the physical deadline and offering a contactless alternative to in-person shopping.

Easy Set-Up

Simply follow the email instructions to set up your VGT, which remains open for donations a month after the physical deadline. Donations after the deadline roll over to next year's corresponding Drive.

IMPORTANT: VGT sign-ups take place during registration. If you did not sign up and want a VGT, please contact the VGT Support Team at vgtteam@familygivingtree.org. To set up your VGT, look for your setup instructions via email.

(Be sure to check promotions and spam!)

Monetary Donations

Accepting monetary donations is vital to our work, and we are committed to honoring our donors' intentions. Donations can be made via your VGT, online through www.fgt.org, your workplace giving platform, or by mail.

NOTE: All financial donations must include your organization's name to receive credit. Donations made after the Drive ends will count toward next year's award results.

What to do With Cash and Check Donations

Mail checks directly to:

The Family Giving Tree
PO BOX 889424
LOS ANGELES, CA 90088-9424

- Do NOT mail cash.
- Cash donations may be dropped off in the secure boxes at our Community Hub, handed to an FGT staff member at remote drop-offs, or sent to our PO Box.
- Family Giving Tree staff is happy to pick up any monetary donations totaling over \$2000 within a 60-mile radius of our office.

NOTE: Remind donors to record your company name on any monetary donation to ensure your group receives the credit.

Matching Gift Programs

Make your donations and volunteer hours go further by visiting www.familygivingtree.org/matching to see if your organization will match your gift. Don't see your organization's name on the list? Add your organization to the Double the Donation database to speed up online donation match submissions. Those extra dollars go a long way toward fulfilling wishes, so contact HR today.

Donor Tax Receipt Information

For every donation of \$10 or more, a receipt will be emailed to the donor if the following information is provided with the donation: the donor's name, complete email address, donation amount, and gift date.

- Tax receipts for donations of gifts can be found on our website under "Give".
- For tax purposes, donations must be dated by December 31st to provide a tax receipt for that tax year.
